A|-----|
E|-----|
```

[Intro]

Riff x4

[Verse 1]

(w/Riff x8)

Take this pink ribbon off my eyes
I'm exposed
And it's no big surprise
Don't you think I know
Exactly where I stand
This world is forcing me
To hold your hand

[Chorus]

Bm **A** **G** **A**
'Cause I am just a girl, little ol' me
Bm **A** **G** **A**
Don't let me out of your sight
Bm **A** **G** **A**
I'm just a girl, all pretty and petite
Bm **A** **G** **A**
So don't let me have any rights

[Post-Chorus] (the G and C are palm muted)

G **C**
Oh... I've had it up to here!

[Interlude]

Riff x2

[Verse 2]

(w/Riff x8)
The moment that I step outside
So many reasons
For me to run and hide
I can't do the little things
I hold so dear
'Cause it's all those little things
That I fear

[Chorus]

Bm **A**
'Cause I am just a girl
G **A**
I'd rather not be
Bm **A**
'Cause they won't let me drive
G **A**
Late at night
Bm **A**
I'm just a girl
G **A**
Guess I'm some kind of freak
Bm **A**
'Cause they all sit and stare
G **A**
With their eyes
Bm **A**
I'm just a girl
G **A**
Take a good look at me
Bm **A** **G** **A**
Just your typical prototype

[Post-Chorus] (the G and C are palm muted)

G **C**
Oh... I've had it up to here!

[Solo] (over chorus progression)

Bm **A** **G** **A** x4

G **C**
Oh... Am I making myself clear?

[Interlude]

Riff x2

[Bridge]

(w/Riff x6)

I'm just a girl
I'm just a girl in the world...
That's all that you'll let me be!

[Chorus]

Bm **A** **G** **A**
I'm just a girl, living in captivity
 Bm
Your rule of thumb
 A **G** **A**
Makes me worry some
Bm **A** **G** **A**
I'm just a girl, what's my destiny?
 Bm
What I've succumbed to
 A **G** **A**
Is making me numb
Bm **A** **G** **A**
I'm just a girl, my apologies
 Bm **A** **G** **A**
What I've become is so burdensome
Bm **A** **G** **A**
I'm just a girl, lucky me
 Bm **A** **G** **A**
Twiddle-dum, there's no comparison

[Outro] (the G and C are palm muted)

G **C**
Oh... I've had it up to!
G **C**
Oh... I've had it up to!
G **C** **Bm**
Oh... I've had it up to here!

(slow down on the last G and let the final Bm ring out)
